

# Welcome

This wiki is a collection of learning tutorials, goal-oriented how-to guides, reference guides, and discussions.

## Innovation Lab

The Innovation Lab Located on the 2nd floor of the CSU Pueblo library provides a technology learning and support center. Each semester faculty work with our Center for Teaching and Learning to develop academic projects using multimedia tools. We support those projects with access to computers, help in problem-solving design, development, and post-processing.

- Presentation Design
- Google Sites
- Screencasting
- Video Editing
- Poster Design and Printing
- 3D Modeling and Printing

## LINC Learning Spaces

The Innovation Lab is located within the Learning, Innovating, and Networking Center (LINC) with the main offices don't the library's second floor. This floor offers a variety of furnishings and technology that can be used flexibly to accommodate a variety of use cases and needs. Rearrange tables, move together seats, and use a screen to connect with remote participants.

The Innovation Lab can help with your setup and technology needs within the LINC.

## Consultation

Connecting with the on-site Innovation Lab staff is as easy as walking up and checking in. If you are looking to set up an appointment, use the [LINC website](#) to schedule a time.
